Rajdip Sanyal

Ex-Intern at Wipro | Web Development Enthusiast | HTML5, CSS3, Bootstrap5, JavaScript, React.js | Git & GitHub | Strong Problem-Solving Skills | Immediate Joiner

West Bengal, India

Summary

As a passionate and fast-learning developer, I thrive on exploring new technologies and translating them into practical, real-world solutions. I believe in continuous self-improvement and take pride in contributing meaningfully to the teams and organizations I am part of.

Technical Proficiencies:-

- Java Programming
- Web Technologies:- HTML5, CSS3, JavaScript, Bootstrap 5, React.js

During my internship at Wipro, I gained hands-on experience building real-world applications and collaborating in a professional development environment. This experience strengthened my problem-solving, UI development, and team communication skills.

I am now actively seeking web development roles where I can continue learning, take on new challenges, and deliver impactful user experiences as part of a dynamic team.

Let's connect! You can reach me at sanyalrajdip864@gmail.com — I am always open to meaningful opportunities and collaborations.

Experience

Wipro

Software Developer Intern

July 2024 - November 2024 (5 months)

Successfully completed 10 days of basic training in Core Java and 3 months of advanced training in Mobile Application Development through project-based learning.

Technologies: Core Java, Android development with Java and Kotlin, iOS development with Swift and SwiftUI, and automated testing with Appium.

Education

Academy of Technology

Bachelor of Technology - BTech, Electrical Engineering · (June 2018 - June 2022)
